

## STRATEGIC MOBILITY PARTNER

### ABOUT

Strategies Migration Services is a migration and mobility company providing specialised immigration advice and services to multi-national corporations.

We offer a bespoke end-to-end global expatriate services to companies looking to bring skills, knowledge and staff into South Africa, Australia, New Zealand, United Kingdom, Canada and other countries.

Our dynamic team of Migration Specialists provide individually- tailored expatriate mobility solutions to meet your company's needs, vision and goals.

### CLIENT DASHBOARDS

Our clients get access to their own unique client dashboard, that allows them to manage and track their expatriate work force visa and mobility requirements with ease.

-  Upload documents
-  Track application progress
-  Generate and download reports
-  Chat function that allows communication with case managers

### PARTNERSHIP

#### WHY YOU NEED A MOBILITY PARTNER

Mobility partnerships have become the flagship tool of multi-national companies to meet their global migration and mobility needs. We facilitate the movement of your skilled expatriate employees around the world and give you access to your own live corporate client dashboard.

Our platform allows you to upload documents, track matter progress, communicate with our consultants and more! Think everything you need at a glance, making your ability to manage, monitor and report on your staff mobility requirements efficient, seamless and up to date.

We navigate country laws and take care of all visa requirements to ensure that your expatriate employees have a smooth transition to your operations in the destination country.
